1255 聖獣

Let's go

!

1. Won't
hesitate
anymore!

To find back
our true
selves!

We are going to meet the holy beast Toiral!

Trace

Ok
We are going now!

Where?

oh~

I hope we'll meet again!

I'm sorry, Mr Hars

And slowly confirm our love for each other

And tonight we'll sleep under the stars.

Sure, then later we'll go and have a feast!

Mr Hars let's go and play~

We will soon

Yay~ I'm so happy!

That.

Trace's holy
beast.
Is inside Mr
Piru?

A holy
beast
doesn't
have an
actual
body

So they have to
live in trees and
the sort.

Ah, yes.

You are
quite
know-
ledgable

Where
did you
learn all
this
stuff....

There is
nothing
to
fear

That's right,
that's right!
But only for
the time
being.

That
means Mr
Piru is
Tora's
vessel?

Finally
Nanuka
is back.

Now, I just
have to go
to Trace to
return Tora!

Ah.

We have to hurry.
I heard that if a
sacred beast is
missing from it's
land.

Something
horrible will
happen to
the land!

What
does it
mean
that the
beast is
missing?

If only Laku is the same

I admire you, Mr Pina....
Once Tora gets out of your body, you will return to your original form?

Is any we know how Laku got this form...

who knows

Huh?

You are not the same as me?

Some one told me that.

... Although I don't know who that person is...

His voice is just like a song, it's very nice.

Laku, have you heard?

His voice just sounded in my mind suddenly

You just stay and seel!

So...
What do you mean by that!!!

No,
this is too bad
of me.

Why must
you keep
saying
things like
that!!

I shall shall stay in
the castle, till the
princess breasts
have grown bigger.
Yes, I shall beg her.

Real-
ly-?

Let's wait
and seel!

Then chase
you out!

I'll turn into
a seery
lady fast.

Idiot

What to
do?
Kuku...

I won't be able
to leave this
lifetime.

You can fly, can't you?

Return it to it's
original home. return
it to it's vessel.

Just do
the
same
thing

Is this
Torra's
voice?

What is
this?

What
should
I do!

I want to
be like
Piru.

I want to
turn back
to my
original
form!
